

Create IBM Cloud Account

Date	2 September 2022
Team ID	40785-1660634822 / PNT2022TMID54319
Project Name	Gas leakage monitoring and alerting system for industries

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark header bar contains the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account (Gayathri S's Account). Below the header, the main dashboard area is titled "Dashboard" and includes a sidebar with navigation icons. The central content area is divided into two main sections. The top section, labeled "For you", features a horizontal row of eight cards, each representing a different service or tutorial. These cards include: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "IBM Watson Knowledge Catalog" (Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform), "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud), "App Connect" (Instantly connect applications, data, heritage systems and modern technologies, even without a single line of code, with IBM App Connect), "Build a virtual machine" (Lift and shift your VMware workloads to the IBM Cloud), and "Get started with Discovery" (Get up to speed c Discovery with at tutorials, deep-di and complete ex working code). Each card has a "Getting started" button and a duration indicator. The bottom section of the dashboard is divided into four columns: "News" (Introducing Badges to IBM Cloud Certification, Announcing IBM SevOne Network Performance Management Version 6.4, IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management, IBM to Introduce a New Incident Management SaaS Offering), "Recent support cases" (You can view a summary of your support cases here after you submit them. Learn more about how to get support.), "Planned maintenance" (Clear skies! You can view your scheduled maintenance events here.), and "IBM Cloud status" (No issues, accompanied by a world map). The "IBM Cloud status" section also includes a "View all" link and a "No issues" indicator.
